SHORTAGE OF THOROUGHBRED STOCK BEGINS TO MAKE ITSELF MANIFEST.

Curtailment of Breeding Operations as Result of Hos tile Turf Legislation Strikingly Exemplified in Kentucky.

Lexington, Ky., January 28.—The scarcity of thoroughbred horses of conformation and qualifications suitable for cross-country riding and hunting purposes is daily becoming more pronounced. Prior to the enactment of those repressionary and virtually confiscatory laws in New York State, a man could come to Lexington and within twenty-four hours get together a carload of such horses, and hardly more than two days would be necessary for the collection of a similar lot for export purposes, but now, as is attested by the experiences of would-be purchasers from New York and abroad recently here, they are not to be had.

A fortnight ago F. Jacobson of New York, who has been exporting such horses for twenty years, came to Lexington with a region of patrons from Bernbedwith the felle week, visiting nearly every farm within a radius of twenty miles, and they saw no more than a dozen of the type and not half a dozen that would sait their purposes. They went away sorely disappointed and without making a purchase. C. A. Levin came here from Avon, N. J., two weeks ago and at the end of ten days he had purchased live, none of them near what he expected to secure, but the best he could do.

John R. Townsend of Goshen, N. Y., who is identified with Robert Goelet in a string of trotters and likewise master of the hounds of the Orange County Hunt Club, left here Thartsay morning, having failed to secure so few as three mounts. He had had Francis J. Mechan of Goshen here for seer they saw before his arrival on Monday and by gelding Adder, by Admontisen, out of Fatality, that would suit their needs. They did not buy him because others were not to be had.

When it comes time to sell yearlings next summer the dearth of thoroughbreds will be even more promounced and the full meaning of the necessary curallment of breeding operations will probably dawn upon the public. Marketable yearlings will be shown to law edges of 150 horses in the barns, but for more than six weeks they have had little other than shed exercise. There will be addit

### CHANGE IN TAMPA MANAGEMENT.

CHANGE IN TAMPA MANAGEMENT.

Tampa, Fla., January 28.—Today's racing was overshadowed by the announcement that, beginning with Monday, there will be a change in the Tampa track management, and that Sam Stephens, George Norse and their associates will succeed Smith, Colby & Jones in the conduct of the betting ring. The management of the plant will devolve on William M. Murray, who is also doing the starting. The officials now in supervision of the racing will remain undisturbed, this being a specific stipulation of the transfer. Smith, Colby & Jones had been consistent lossers since the opening and tired of their bargain. The displacement of Mr. Strode by Mr. Murray was whouly unexpected and came as a surprise. The change was brought about late last night at a meeting of the directors and was voluntary on the part of Mr. Strode, the inducement offered by the prospective lessees being advantageous to all concerned. Mr. Strode will remain a member of the hoard of stewards.

The twenty-four days' experience that Smith, Colby & Jones had in charge of the ring cost them close to \$10,000. They were given the chance to continue by meeting the terms of the new management, but did not care to do so.

Dr. Abington, owned by Barney Schreiber and riden by A. Burton, bolted through the fence at top speed shortly after the start of the two-year-old race today, hurling the rider to the ground, At a late hour Burton was still unconscious and fears are entertained that he is seriously injured.

The judges announced today that after looking into the ride Hoffman gave Syzgy, they concluded that he had intended nothing fraudulent and that in view of his previous good riding record they would give him the benefit of the doubt. He had the mount on Sam Bernard this afternoon.

### RULING LIKELY TO BE MODIFIED.

Toronto, Ont., January 28.—Inquiry has been made here as to eligibility of horses now owned by S. A. Clopton and R. D. Williams in case of their sale to other owners. While the ruling of the Canadian Racing Associations debars them, it is probable that the entries would be accepted here of such as came into the hands of others having no connection with the persons disqualified.

### THE NIGGER WINS VALUABLE STAKE.

Scores Over Mary Davis in Jacksonville Handicap-Lahore Makes Disappointing Showing.

Jacksonville, Fla., January 28.—The Jacksonville Handicap, carrying a guaranteed gross value of \$2,500, and one of the important events of the winter season of racing here, was offered as a feature at good one throughout. A big crowd turned out and with racing conditions hard to improve upon, spent an enjoyable afternoon.

The Nigger proved best in the stake race and beat Mary Davis a length after a stirring stretch drive, James Rowe's Lahore was made favorite and was confidently supported. But it was evidently not Lahore's day and he figured in a poor performance. The colt looks to be training light and to the keen eye seemed to have lost flesh since his last race. In the running Lahore met with interference and this, coupled with the fact that he was giving away weight, had something to do with his disappointing showing. At all events he did not run up to the expectations of his backers, finishing fifth in a field of eight. The Nigger showed a fine turn of speed, leading most of the way and finishing with splendid courage under punishment, to win going away at the end.

eight. The Nigger showed a fine turn of speed, leading most of the way and finishing with splendid courage under punishment, to win going away at the end.

In the second race Manheimer came from behind in the stretch and won easily by a couple of lengths. There were some speedy platers in this race and the pace was fast from the start. The winner established a new track record for five and a half furlongs by running the distance in 1:00%.

The three-year-old Trustee, taken out of a selling race by J. W. Schort, was destroyed this morning. The colt was suffering from abscesses in the head and little hope was held out by the veterinarians for his recovery.

Jockey T. Koerner accompanied Wayne O. Joplin back to Tampa, to which place Mr. Joplin went tonight with his entire string.

Grover Baker, recently suspended by the stewards as a result of charges preferred against him by jockey Phil Musgrave, was ruled off today by the use of improper language to Thomas C. McDowell.

Jockey Gross was suspended for one week for crossing his field at the start with County Tax in the third race.

Starter A. B. Dade received a letter from Secretary-Fraser of the Ontario Jockey Club at Toronto this afternoon informing him of his re-appointment as starter at the Woodbine track for the country season. Mr. Dade will also start at Jamestown and Pimilco.

Season. Mr. Dade will also start at statestown and Pimilico.

With the tourist season at its height in Florida, the crowds at Moncrief Park have increased wonderfully. The attendance just now ranks with that of last season, although there are not as many books operating. It has been an unprofitable season for the layers and few of them have won anything. Tom Shaw is about holding his own, as is also william Beverley. Fred Cook has had a few good days and some bad ones. Cook still takes the money until the horses are entering the homestretch and he has fooled some of the smart ones who have rushed up to wager on the horse that showed in front in the early stages. Cook handles a lot of money in a surprisingly short time after the barrier is released and many times it has enabled him to round up his book.

Charles Ellison still continues in the good streak he had at the Kentucky tracks and is a blig winnerhere. He has been wonderfully successful in picking winners, He is considered the smartest operator here and has many a trailer. Joe Yeager has been having his ups and downs, winning one day and losing the next.

In the event that the legislature looks with favor upon the proposal of the Florida Live Stock and Agricultural State Fair Association to permit betting to continue after May I, it is understood that the plans of the local association contemplate a greatly reduced season of racing here in succeeding winters. One plan under consideration calls for sixty days of the sport here and an equal period in Havana. Charleston is also being considered as an available racing point.

### RACING IS RESUMED AT JUAREZ.

El Paso, Tex., January 28.—Racing was resumed at Terrazas Park today under the most favorable weather conditions, the combination of an attractive card and the running of the Durango Selling Stakes attracting one of the largest half-holiday throngs of the season. Angelus, from the stable of H. R. Brandt, was a topheavy favorite and was returned the victor in the easiest fashion. He was the only favorite to score.

The first race served to introduce a probable star from the stable of I. H. Wheateroft in King Broomstick. The colt was far from racing condition, but made a creditable showing, finishing well up after laving met with considerable interference in the early running. He is a handsome looking youngster and when in condition will doubtlessly give a good account of himself.

At a sale of race horses belonging to Sam Lazarus, the Texas breeder, the following were disposed of: Fritz Emmett, \$550, J. Batcheler; Mamac, \$300. L. Ezell: Task Master, \$100, J. Dwer; Gehrhicht, \$100; Allan Potter; Menellk, \$100, Roger Minton; Royal Polly, \$76, J. Dwer; Royal Polly, \$76, J. Batcheler; Williams, J. Dwer; Royal Polly, \$76, J. Batcheler; Williams, J. Dwer; Royal Polly, \$7

### NOTES OF THE TURF.

T. W. Flynn now has only Starry Night, Lotta Creed, Home Run and a two-year-old in his stable at Oakland.

Trainer J. C. Ferriss, has the good filly, Bettie Sue, ready, to go to the post at Juarez, Bettie Sue has done nicely in her training at the Mexican

Mettie Bereaud has been turned out in Kentucky all winter and trainer Wayne Lewis will take her up upon his return from Juarez in a few days. Mr. Lewis will yisit G. W. J. Bissell, for whom he trains, in Pittsburg and then proceed to Kentucky to get together a new string of horses for the coming spring and summer racing campaign. He will do his spring training at Churchill Downs.

do his spring training at Churchill Downs.

Concerning the California situation, the San Francisco Chronicle says: "All signs point to the end of racing ir. California, but some optimists are looking forward to the sport continuing across the bay for at least the 100 days scheduled and maybe longer. Until final action is taken at Sacramento, however, the situation will likely hang fire, and the race track people are waiting before making future plans."

Plans."

Few horses can show such a record in connection with one race as J. B. Joel's Dean Swift can in the City and Suburban Handicap at Epsom. He has run in this race for seven consecutive years. Twice he won, twice he was second and twice third. Only once was he out of the money, and the race never had small fields, the number of starters ranging from thirteen up to twenty-one. He is entered for the 1911 renewal of the race.

the 1911 renewal of the race.

The funeral of jockey Charlie Phair, who was killed in a race at Port of Spain, Trinidad, on New Year's Day, took place yesterday at Toronto. Letters and papers from Port of Spain tell the story of the fattafity, which occurred as the boy was winning a race on the last day of the island season. He was well in front, and near the finish when his mount struck into one of the posts marking the course, which is not railed, as courses are here. The rider was thrown against the post and death was instantaneous.

FORM BOOK IMPROVEMENT MONTHLY previous month's racing in the United States, Canada and Mexico, will be further improved beginning with the January, 1911, issue, which will be on sale at Daily Racing Form office next Wednesday noon, by the designation of track conditions in connection with the index numbers showing each and every start of all horses. By means of this innovation it will be possible for the user of the Form Book to instantly determine a horse's ability to run on any sort of track concerning which information is desired, as shown in the fol-**LORD CLINTON**, b. g, 4, by Handsel—Emily 0. ### Extra!" "Extra!"

"Read Every Word." This means "You" and it means "Success." I have not studied the "Racing Problem" ten years for nothing. I have just completed my "New Winner Picker System." I will say that it is the "Greatest Money Getter" that I have seen in my ten years' experience and it is strictly for "Handbook" play. It is strictly a "One Horse" system and is played strictly to "Win." "Here is my Proposition." Send M. O. \$2.50 and with your order promise to send me \$2.50 and with your order promise to send me \$2.50 and with your order promise to send me \$2.50 and if you do not find this system. Upon rec't of \$2.50 the complete system will be promptly sent and I will take your word for the balance, and if you do not find my "New Winner Picker System" the greatest "Winner Picker" you have ever seen, and if it does not make you a "Winner" and keep you a "Winner"—then I will refund your money. "It's Very Simple (requires no figuring) and it is for "Flat Bet Handbook Play" and it is not a "Favorite" system. I know my business and you will know yours when you get this "New Winner Picker System." "Special Notice"—"No Attention" at all to communications from anyone (old or new subscribers) unless M. O. \$2.50 is enclosed, and an agreement to pay the balance if the system is found to be just as represented. If you want to "Win"—then "Write Today." Address
